

Roosevelt Community Minutes

Monday April 8, 2019

- In response to question from last meeting. The County does not mosquito-larvae treat standing water on privately owned property unless the home has been abandoned. County will treat standing water on County property and in roadways.
- Public Works update for April
- Earth Day is April 20th and Gila County will be providing FREE green waste disposal at both County landfills. Handout
- Air Methods (Native Air) is no longer offering their membership services for medevac helicopter transport. They will not be renewing nor taking new applications. Alternative provider we located is PHI-Cares. Handout
- Will be holding a Pre-Fire Season meeting April 19th to prepare for the upcoming fire season.
- Meeting with BLM on the 11th to discuss ways to clean-up and prevent blight on BLM land. If you know of dump sites on BLM land, please let us know.
- Saturday April 13th is Dollar Dump Day at both Gila County Landfills. This will be the 12th Saturday of the program and we have already almost 5 million pounds of blight.
- April is National County Government Month. Gila County has a list of activities including low cost pet vaccination days in Globe and Payson. Handout

- With the rain / snow we received this winter, there is a lot of plant growth. Please keep a safe perimeter around your home to help prevent fires.
